

MULTICULTURAL POLICY

Australia is an increasingly multicultural society and as we recognise more cultural and ethnic diversity, it is imperative we lead children in recognising, respecting and accepting similarities and differences in cultures. The cultural beliefs, linguistic and religious diversity represented within the Service and wider community helps to form the foundation of the program being implemented to ensure we are promoting an inclusive environment for all children.

There were never in the world two opinions alike, any more than two hairs or two grains. Their most universal quality is diversity.

Michel De Montaigne, 1533–1592
